Your Care, Your Way

At Dovida, we provide the highest quality of care because we know that each and every one of our clients is unique.

We support, empower and uplift people by putting them at the heart of every decision on their care.

Our Circle of Care places the individual at the centre of a holistic support system uniting families, our skilled caregivers and Dovida's support teams with Public Health Nurses, GPs and physios.

Care grounded in connection

Our caregivers take the time to truly understand and get to know your interests, values and personality - with kindness and curiosity.

An expert team you can trust

Our caregivers receive ongoing training to stay prepared for a wide range of care needs. Behind them is a supportive Dovida care team that ensure your care plan is always of the highest quality.

In-home consultation

Let's start with a conversation.

We offer a free, no obligation, in-home care consultation. Together, we can create a personalised care plan that fits your needs and preferences.
